

Easterly winds are expected to bring cold air across the North Sea from Scandinavia this weekend. This will lead to an increasing risk of snow showers feeding onto eastern counties of England and Scotland, increasingly to low levels by Saturday evening.

Valid from **09:00 on Sat, 12th Jan 2013** until **23:55 on Sat, 12th Jan 2013**

The public should be aware of the potential for localised disruption to travel.
